Admission Criteria—Master of Arts in Liberal Studies (MALS)

Admission Criteria

Quality of Previous Undergraduate and Graduate Work
The minimum requirements necessary for admission to Alvernia’s MALS program will include an official transcript indicating that the applicant has earned an appropriate baccalaureate degree from an accredited college or university. A grade point average of 3.0 on a 4.0 scale for all previous undergraduate and graduate work is required for full acceptance.

Letters of Recommendation
The strength of letters of recommendation from persons competent to judge the applicant’s probable success in graduate school will be evaluated. Each applicant will submit three letters of recommendation. Letters from former professors, from employers or supervisors familiar with the applicant’s professional experiences, or from religious or community leaders must be forwarded directly to the School of Graduate and Adult Education.

Resume
Applicants are required to submit a current resume outlining their professional, educational and volunteer experiences.

Personal Interview
After all the required application materials have been received by the Coordinator of Graduate Admissions, each applicant will be contacted to arrange for a personal interview. The interview will be conducted by the Program Coordinator or a designated representative.

Applicant’s Statement of Academic and Career Objectives
The applicant must submit a one-page statement that summarizes the value of the program of graduate study for his/her personal and professional growth and development. Describing educational and professional experiences that will serve as the foundation for graduate study is encouraged, but not required.

Additional Evidence of Potential for Success as a Graduate Student
Academic or professional awards, special certifications, samples of scholarly or creative work, completion of specialized examinations and personal interviews will also be reviewed as evidence of potential.

Special Consideration of Applicant’s Potential
Alvernia will weigh the evidence submitted by each applicant to assess the candidate’s strengths and academic potential. Special consideration will be given to applicants who will enrich the diversity of the academic community. Applicants to the MALS degree program will be admitted as described below:

Full Graduate Status: Students admitted to full graduate status must have submitted official documents demonstrating that they have earned a baccalaureate degree from an accredited college or university. These students must be fully qualified by the judgment of the Dean of the Graduate Programs. Students may opt for full-time or part-time enrollment.

Non-Degree Status: Students may enroll in graduate courses to earn graduate credit for professional certifications or professional development activities in their chosen field. These students must have earned a baccalaureate or other advanced degree from an accredited college or university. Certain other students may be admitted with non-degree status with the approval of the Dean of the Graduate Programs.

Retention, Completion and Degree Requirements
Students with full graduate status must respond to a written offer of admission that specifies the date of entrance into the MALS program. This admission letter will serve as a permit-to-register for courses. In most cases, students will be offered admission for a five-year period.

Progress toward completing the graduate degree will be evaluated by each student’s advisor on a regular basis. Students with full graduate status must achieve and thereafter maintain a cumulative grade point average of 3.0 or higher to be retained in the program. Students will not be allowed to participate in capstone activities unless they have achieved a cumulative grade point average of 3.0 or higher. Academic records of all graduate students will be reviewed at the end of each semester. Students will schedule two meetings with their advisor each year.
